My dear Rabbi Kalmanowicz:

This will acknowledge your letter of 18 May 1954 regarding the data on Adolf Eichmann which you sent me and which I forwarded to the Department of State. I have been advised that this matter is being handled in the Office of the Assistant Legal Advisor to the Department. I have further been advised that a reply from the Legal Advisor will be sent to you in the very near future.

You also stated in your letter that you cannot understand why this matter was referred to another department. May I again point out that the prosecution of Eichmann is not within the competency of the Central Intelligence Agency. The fields of national policy and representations to foreign governments are the primary responsibility of other departments of our government.

Sincerely yours,

SIGNED
